Seminar on Garbhavkranti Shareera The Department of Rachana Shareera at SGET's Mahaganapati Ayurvedic Medical College and Hospital, Dharwad successfully organized a Seminar on Garbhavkranti Shareera at Patanjali Hall on 16th March 2026. The seminar featured insightful academic sessions on Garbha Upanishad, Garbha Shareera according to different Samhita commentators, Garbha Vikara, and the Clinical Significance of Garbha Shareera. This informative program greatly benefited the students of First Phase, and Second Phase, enhancing their understanding of Ayurvedic concepts related to embryology and Garbha Shareera. The event also included Dhanvantari Pooja, Shloka Competition, interactive lectures by distinguished faculty, felicitation of guest speakers, and prize distribution, making it a meaningful academic experience for all participants. Heartfelt gratitude to the Chairman, Management, Principal, Vice-Principal, Dean, faculty members, and students for making the event successful. Promoting Ayurvedic knowledge and academic excellence. #Ayurveda #GarbhavkrantiShareera #RachanaShareera #AyurvedaEducation #MahaganapatiAyurvedaCollege Dharwad See less

By Speaker-Dr Veeresh Sattigiri See less

Mahaganapati Ayurveda Professor Selected as National Expert by CCRAS for Netra Kriyakalpa Survey on dated 09.07.2026 A proud moment for Mahaganapati Ayurveda Medical College and Hospital, Dharwad, Dr. Veerayya R. Hiremath, Director, Professor and Head of the Department of Shalakya Tantra, has been selected as a National Expert for the National Survey on Netra Kriyakalpa by the Central Council for Research in Ayurvedic Sciences (CCRAS), an autonomous body under the Ministry of AYUSH, Government of India. The nationwide survey is being coordinated by the Central Ayurveda Research Institute (CARI), Bengaluru, in collaboration with various CCRAS institutes and regional centres across India. The initiative aims to scientifically document and standardize Netra Kriyakalpa, one of Ayurveda's most significant therapeutic procedures for eye care, thereby promoting evidence-based Ayurvedic practices. As part of the project, Dr. Virayya Hiremath documented minimum of 10 clinical cases using comprehensive audio and video recordings. The study is expected to generate scientific evidence, contribute to the standardization of Netra Kriyakalpa procedures, and facilitate their wider acceptance and integration into mainstream Ayurvedic eye care across the country. Congratulating Dr. Hiremath on this prestigious national recognition, the Management, Principal, faculty members, non-teaching staff, and students of Mahaganapati Ayurveda Medical College and Hospital expressed immense pride and confidence that this achievement will further strengthen the institution's academic and research reputation at the national level. Speaking on the occasion, Dr. Ashok V. Bangarshettar, Chairman congratulated Dr Hiremath for his achievement. See less
